wonder of 30,000 lights on the tree at Rockefeller Center. Come along with one of our New York guide and experience the holidays in New York; like no other place for the holidays. They will take you to spots you have only seen in the movies and also their favorite spot, and if you have been nice and not naughty maybe even reveal a secret or two about the holidays in New York. So, grab you Santa cap and come a long for ride or lights and smiling faces.
