

20 June 2024

Dear Travelers,

We are pleased to announce that we are offering our Key West tour for 2025, our perennial favorite in the winter.

Here is where we are with our group booking for the tour. I signed the contract last month with the following terms: We are guaranteed the rooms at our current rate until **December 10, 2024** or until they are sold out. We are staying at The Southernmost Hotel, with their own beach as well as multiple swimming pools, including a quiet pool for adults only. The Southernmost Resort is a clean, beautiful property with good reviews on TripAdvisor, a wonderful experience on our 4 tours that have stayed there and it is the only one that meets our high standards. In addition, they are following sanitation and cleaning rules over and above requirements. We feel comfortable staying there.

We also fly with Delta and they are not allowing group ticket blocks over this time. The pricing shown here is what they currently have for pricing. When you put down your \$1,800 deposit, it will be **non-refundable** and we will purchase the air on the spot for you and keep us all on the same flight. That deposit will include the **non-refundable deposit** from for hotel rooms.

If you are interested in signing up for this tour, we need to receive the deposit amount of \$1,800 from you to lock in your room and rate. This is a non-refundable deposit, so to guarantee your money, you do have the option to purchase trip cancellation/interruption insurance from us at time of deposit.

Note: We do have Cancel For Any Reason Policies available as of this date. Please contact Maggie and we can go over those options. You need to send in the insurance premium within 14 days of sending in your deposit to cover pre-existing conditions for any policy.

We hope you'll join us in Key West again this year, "close to perfect, far from normal!"

Yours in tours,

Dea !!

## Key West Escape

**Head to blue skies and warm weather, plus an option to tour the Dry Tortugas & enjoy Sunset Dinner Cruise!**

**Feb 23 – 27, 2025**

Leave the grey Midwest sky and cold weather behind as we fly south for a Key West Escape!

### **Sunday, February 23 - In Key West by sunset!**

We depart for Key West via Atlanta on Delta Airlines. (Time subject to change as Delta adjusts schedules). If all goes to plan, we change planes in Atlanta and arrive Key West before sunset. Upon arrival into the Key West airport, we meet our guide and trolley. Get acquainted with all the people and places as our guide shares stories and history as well as dining tips along our route around the island. We will stop at the Florida Keys Eco-Discovery Center and you will have a better understanding of the eco system and visit the Hemingway House. Note: If we have a later arrival flight, then we will offer tour tomorrow.

We then arrive at our home for the next four nights of luxury at **The Southernmost Beach Resort**, with the best location and reviews in Key West. Tonight, we dine at our hotel and enjoy a welcome dinner beachside that will be sure to leave you sleeping like a baby, listening to the crashing waves outside your window. **(B, D)**

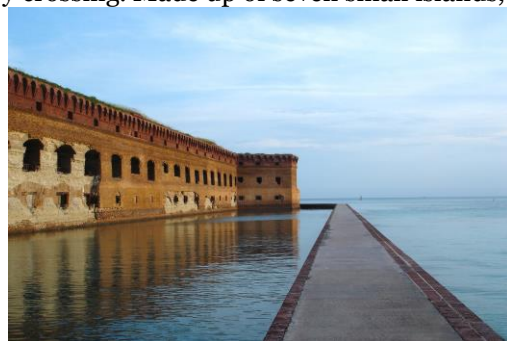

### **Monday – February 24 – Free Day or Dry Tortugas**

Enjoy breakfast this morning before you head out to explore the island on your free day. **(B)**

### **Optional Tour to be purchased at time of deposit as they sell out: DT - Dry Tortugas**

Today we explore Uncharted Territory at the Dry Tortugas National Park! We board the Yankee Freedom III Ferry and glide across the water to the Dry Tortugas National Park during a two-hour ferry crossing. Made up of seven small islands, it is one of the world's most unusual eco attractions. Its crown jewel, the historic Fort Jefferson, was once used as a prison during the Civil War.

Explore and learn the history with our guide and enjoy an array of activities. There's something for everyone! What to bring: During our voyage, you'll enjoy the beautiful scenery of the Marquesa Islands, Boca Grande. Here are some of our suggestions on what to bring to make your trip memorable: comfortable footwear, a hat, bathing suit, sunglasses, towels, change of dry clothes, sunscreen, camera, light jacket/sweatshirt, something to read. Includes round-trip transportation from hotel to dock and from dock to hotel. Note: *If there is bad weather, they will typically let us switch to another day. That way if it is a no go today, we can hopefully book the next day. They do sell completely out about 45 days prior so book it with your tour.* \$295 per person includes round-trip transportation to the dock, your pre-reserved ticket, and gratuities to crew. **(B, L)**

Enjoy breakfast this morning before you head out to explore the island on your free day. There are so many possibilities, from strolling around the downtown area of Key West to grabbing a photo at the **Southernmost Point of the Continental U.S. marker**, right next to our hotel with its fabulous location and amenities. You may want to enjoy the property itself with several swimming pools including a quiet pool for adults only. This evening we have a great treat in store – a **Sunset Cruise**.
