

# American Rockies to Red Rocks of Moab

May 17-21, 2025

Since 1990, Rocky Mountaineer has elevated rail travel to match the grandeur of western Canada's most majestic landscapes, and now they are ready to share the best of the Western United States! Take in the scenery through the oversized windows of the custom-designed glass dome coaches while you enjoy delicious, hot entrée options and gourmet snacks along with complimentary beverages, including wine, beer, spirits and non-alcoholic drinks served throughout our journey. Unlike some of the other trains that travel through the West, the Rocky Mountaineer only travels during the day, ensuring you see the most of the Rockies! So sit back and relax as we ride through some of the most breathtaking landscapes, from the peaks of the Rockies to the Red Rocks of Utah!

## Day 1: May 17, 2025: Mile High City Life!

Meet Dea and Declan at St. Louis Lambert Airport. We board our flight to Denver, Colorado, and, upon arrival, we will board our private motorcoach and head to the Hotel Indigo, our home for the evening. Relax and unwind from a busy day of travel or explore the Colorado's capital city, as the hotel is located just steps away from Union Station and many other attractions such as Coors Field. Tomorrow we board the train!
