ANTARCTICA IN DEPTH

13 Days  Buenos Aires > Buenos Aires |

Day 1

Buenos Aires, Argentina

Welcome to Buenos Aires, where you'll have an overnight hotel stay. Perhaps plan to spend some time in the city, nicknamed the 'Paris of South America.' Resplendent with Belle Epoque buildings, sidewalk cafes, and green spaces, there's the fiery passion of Latin America – a collective love for football, flame-cooked meats (asado), and the tango.

Some highlights are La Boca, a colorful, creative mecca with a must-do art walk, and San Telmo, a former aristocratic neighborhood abandoned during a 19th-century epidemic. Mansions were turned into conventillos (shared housing), boutique hotels, antique shops, and tango clubs, exuding a captivating bohemian vibe.

Day 2

Buenos Aires > Ushuaia

Fly from Buenos Aires to Ushuaia, the main island of Tierra del Fuego and the southernmost city in the world. The captain and crew will warmly greet you as you board your ultra-luxury Discovery Yacht, Scenic Eclipse.

Toast the start of your once-in-a-lifetime expedition as you depart South America and cruise through the calm and scenic Beagle Channel, named so for the ship that carried Charles Darwin on his five-year discovery journey. Admire the dramatic views of the Andean mountains from the comfort of your private verandah or the Observation Deck with its commanding view of the bow.

Meals: B.D.

Day 3

At sea

Wake up on your time as we cruise across the Drake Passage, the infamous waterway connecting South America to Antarctica. Ask your butler for breakfast delivered to your spacious suite or meet fellow guests in the Yacht Club.

Today, join an introductory presentation about your polar expedition by the Polar Discovery Team in the state-of-the-art theater. Feel the excitement building as they explain how your Zodiac and other Discovery Excursions will work in the coming days.

 Cruising  Cruise start/finish  Overnight

The theater is where you can watch talks, lectures, movies, and documentaries during the day. Enjoy world-class productions from musical theater and cabaret to pop music, dance, and fun interactive game shows at night.

Meals: B.L.D.

Day 4

At sea

Today, you will enter Antarctic waters, an unpredictable but stunningly beautiful environment that constantly surprises you. Put on your complimentary polar parka and head to the Observation Deck to spot icebergs for the first time – it's a feeling that will stay with you forever. Watch out for whale blows in the distance. Your expert polar Discovery team will be on hand to provide and answer any insightful information. Comprised of up to 20 members, this team of geologists, historians, ornithologists, marine biologists, and glaciologists is at the heart of your Antarctic Voyage.

Meals: B.L.D.

Day 5

Antarctica

Slide open the floor-to-ceiling doors of your verandah suite to see icebergs sculpted by nature and glacial mountains rising thousands of feet from the ocean.

Antarctica is a birdwatcher's paradise, with more than 40 different species, so keep your eyes peeled for wandering albatrosses, which have the largest wingspan of any flying bird, shearwaters, giant petrels, and more.

Due to the extraordinary nature of the region, excursions throughout your Expedition Voyage depend on ice and weather conditions. Your experienced Captain and specialist Discovery Team, who have made countless journeys to Antarctica, will use their expertise to design your voyage day by day, making the most of 18–20 hours of daylight.

Discovery: Daily experiences may include cruising on Zodiacs, stepping ashore to view vast penguin rookeries or historic huts, and kayaking or paddle boarding around icebergs. You will have countless "pinch me" moments wherever your voyage takes you.

Meals: B.L.D.

Day 6

Antarctica

Portal Point^^ – a former British refuge hut – may be a potential landing site during your voyage.

Or you may visit Deception Island^^ as part of your itinerary. Nestled in the South Shetland Islands archipelago, it is one of the only places in the world where ships can sail directly into the center of a submerged caldera of an active volcano.

ANTARCTICA IN DEPTH

13 Days  Buenos Aires > Buenos Aires |

With her world-class design and state-of-the-art technology, Scenic Eclipse can sail through a rocky gap into the horseshoe-shaped harbor. The island also has small scientific outposts and hundreds of thousands of chinstrap penguins. Tonight could be the night you enjoy Sushi^ @ Koko's with your new friends. Stay up late in the bar or retire to the library for blissful solitude before bed.
Meals: B.L.D.

Day 7 Antarctica

Various species of penguins can be found in the Antarctic and the sub-Antarctic region, with around 12 million penguins living on the Peninsula, including Adélie, Chinstrap, Gentoo, and the very rare Emperor penguins. Guided by the expert Polar Discovery Team, you'll witness colonies up close, hear their mighty calls, and watch as they clumsily waddle along and interact with each other. Whales are another majestic creature you may encounter, whether a minke, a humpback, or an Orca. Watch them from the comfort of your ultra-luxury Discovery Yacht, in a Zodiac with an experienced Polar Discovery Team member, or from their level in a kayak or stand-up paddleboard – a breathtaking experience.

Discovery: When enjoying daily Scenic Discovery excursions, ask for your expert Discovery Leader for photography tips and guidance on how to spot the wildlife around you. They will help you immortalize these incredible moments while cruising on the Zodiacs, kayaking, and stand-up paddleboarding around impressive ice formations.

Meals: B.L.D.

Day 8 Antarctica

Lemaire Channel^^, renowned for its picturesque views and often referred to as 'Kodak Alley,' could be our next exciting destination. If, during your voyage, the Scenic Eclipse weaves through this channel, make sure you set your alarm and embrace the cool air from the Observation Terrace. Pass through the 6.8-mile (11-kilometer) long channel, just under 2,300 feet (700 meters) wide at its narrowest point, and be amazed at the dramatic rocky mountains and glowing blue icebergs so close to the ship. In between Scenic Discovery experiences, enjoy a specialty tea or coffee in the Observation Lounge and watch the world float by through Swarovski telescopes.

Meals: B.L.D.

Day 9 Antarctica

In the distance on a clear day, you can see Mount Francis^^ standing tall as Anvers Island's highest peak, showcasing the rugged beauty of Antarctica. Every day is unique, and you might get the chance to hike or spend time on the pebbled beach, enjoying the view surrounded by curious penguins.

Back on board, explore some of Scenic Eclipse's indulgent spaces, from the welcoming Observation Lounge to the expansive Senses Spa#. Soothe your muscles in the sauna or heated therapy lounge, or join a yoga or Pilates class. Choose one of up to 10 world-class dining experiences on board tonight.

Meals: B.L.D.

Day 10 Antarctica

Be sure to pack your swimming suit because you could be going for a swim today. For many, the polar plunge is a once-in-a-lifetime opportunity and a rite of passage on an expedition to Antarctica.

ANTARCTICA IN DEPTH

13 Days  Buenos Aires > Buenos Aires |

Once throughout your voyage, the Scenic Eclipse will stop, and the team will set up the marina ready for the brave people who want to jump into the freezing Antarctic waters.

Excitement will spread through the Discovery Yacht, and you will start hearing the contagious nervous laughter. As you stand on the edge, ready to jump, you will feel the adrenaline rush while you second-guess whether this is a good idea. When you jump, the moment before you hit the water will feel like it goes forever, but soon, an invigorating, exciting, and surprisingly refreshing sensation will take over.

If you choose to skip the polar plunge, make sure you find a good viewing location as you feel the chills of everyone coming out of the water. Join them for a cup of hot chocolate or toast with a glass of whiskey.

Meals: B.L.D.

Day 11

At sea

Cruising the Drake Passage back to the tip of South America, there is plenty of time to indulge in the ultra-luxury of your Discovery Yacht and reflect on the magic moments you've experienced in the Southern Ocean.

Freshly squeezed juice, steaming barista-made coffee, or tea delivered to your door by the butler will help start your day. Head to the gym for an invigorating workout or the studio for a Pilates class, some guided stretching, or aerial yoga.

In the evening, settle in at the spacious Scenic Lounge Bar to enjoy your beverage, whether aged whiskey or a glass of wine.

With Scenic's signature all-inclusive ultra-luxury philosophy, indulge in top-shelf spirits, over 130 whiskeys, a premium wine list, and French champagne.

Meals: B.L.D.

Day 12

At sea > Ushuaia

Have you visited the bridge yet? Thanks to the Captain's open bridge policy, guests are welcome to learn more about the technical abilities of The World's First Discovery Yacht at any time and see it during the entire operation. The bridge is also one of the best viewing areas on the ship.

Book a treatment* at the tranquil Senses Spa before your Discovery expedition ends. Perhaps an ESPA facial or massage# or an alternative therapy, including Ayurvedic massage or Japanese shiatsu. Afterward, hold on to that feeling of calm for a while longer in the Zen-like space of the Vitality Lounge.

Questions that will be on the medical form.

As there are no ports in most destinations, embarkation and disembarkation will require getting on and off Zodiacs via steps onto the marine platform and requires the ability to step into and out of these vessels unaided. Does this present an issue for you?

- Guests may be able to take a walking stick/walker ONLY on the Tenders, subject to confirmation from our crew. Are the guests able to manage without the use of their mobility aid if required for travel to and from the shore?

- The tour may involve walking on uneven surfaces such as rocky and icy terrain. Does this present an issue for the guests?

- Wheelchair Bound guests cannot be accommodated on this itinerary.

Scenic Ocean Eclipse Medical Form Process Information- Note: I'm trying to get an actual copy of this. - Dea

All Scenic guests travelling on Scenic Eclipse in Arctic including Greenland, Antarctic, and all voyages with more than 5 consecutive sea days are required to complete a compulsory medical questionnaire.

Without these forms completed, guests will not be cleared for travel and will not be permitted to board.

New medical forms will be available in guests Trip Personaliser which will only require a doctors visit if they answer yes to question 4.

The new Medical Forms will consist of the below sections;

- Completed by the travelling guest:
 - Part 1 – Guest Information
 - Part 2 – Mobility
 - Part 3 – Allergies, Dietary & Sleep Apnea
 - Part 4 – Medical Conditions (15 questions related to any medical condition)
- Completed by a certified Medical Doctor:
 - Part 5 – Medical Information & Treatments.

No we cannot accept any forms by emails or other means as this is transferring medical data via unsecure methods.

If the guest has no friends, family or travel agent to assist, then as a last resort, they should call res and read out their answers over the phone and Res can enter in the answers to the form.

Guests do not want to complete a digital form with their doctor, can they complete a hard copy form?

You may provide a hard copy form for guests to take to their doctors. Once completed guests must return home and enter in the information from their hard copy form into the online form. No hard copy forms can be accepted. Refer to the above question for why we cannot accept hard copies.

It is not a physical assessment as such; it is to note the guest's current and recent medical conditions or requirements.

The cruise visits some isolated regions and, in some areas, there is no close onshore medical care, or advanced medical care. It is in the best interest of the guest's health and safety to complete the medical form which provides needed information to ensure our on-board physician is fully aware and prepared prior to embarkation.

What should I advise if the guest does not feel comfortable in asking their doctor to log on to their Scenic booking and complete their trip personaliser?

The guests can complete the online form up until the doctor signature. They can then save the form which sends them an email with their specific link including the information already completed. The guest can then take their email link to the doctor (on their phone or tablet) and have the doctor review and sign their form. This way the doctor does not need to complete or access the guests Trip Personaliser.
